# 1. Introduction

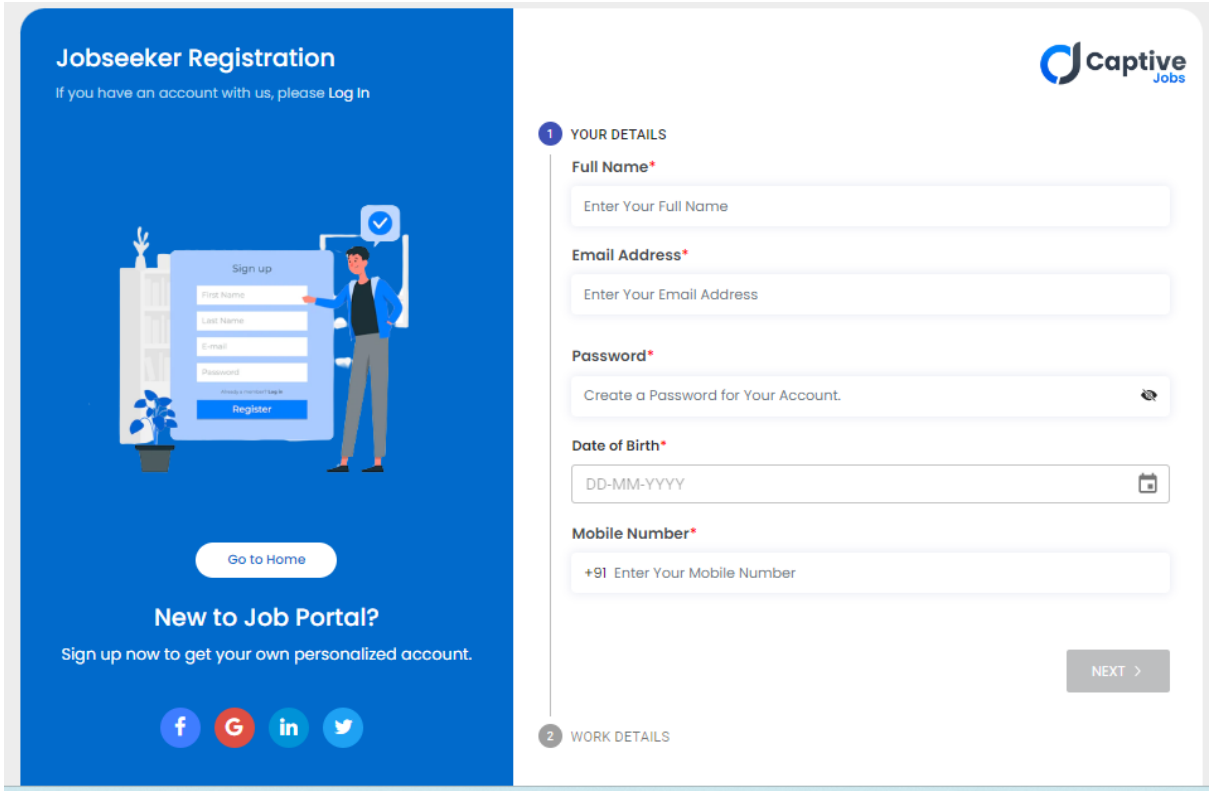

Welcome to the Job Seeker's User Manual for navigating captive jobs! This comprehensive guide will help you make the most of your experience and enhance your chances of finding the perfect job. Let's get started!

# 2. Account Creation

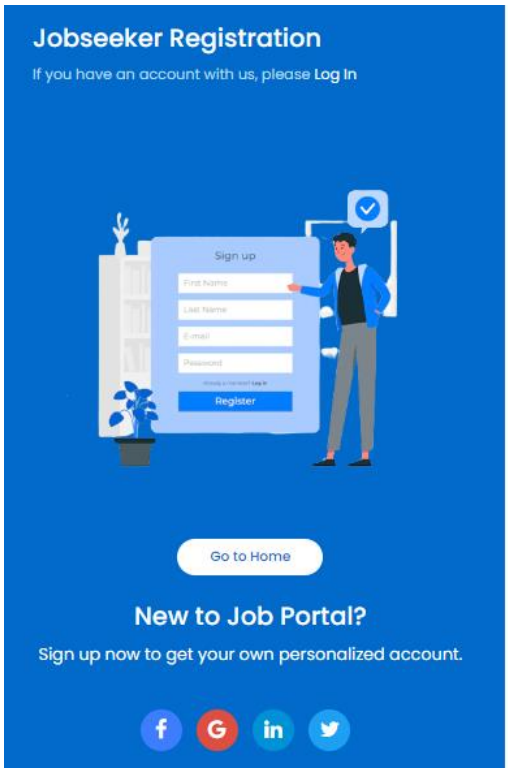

- Visit the Captive Jobs website and click on the "Register" button.

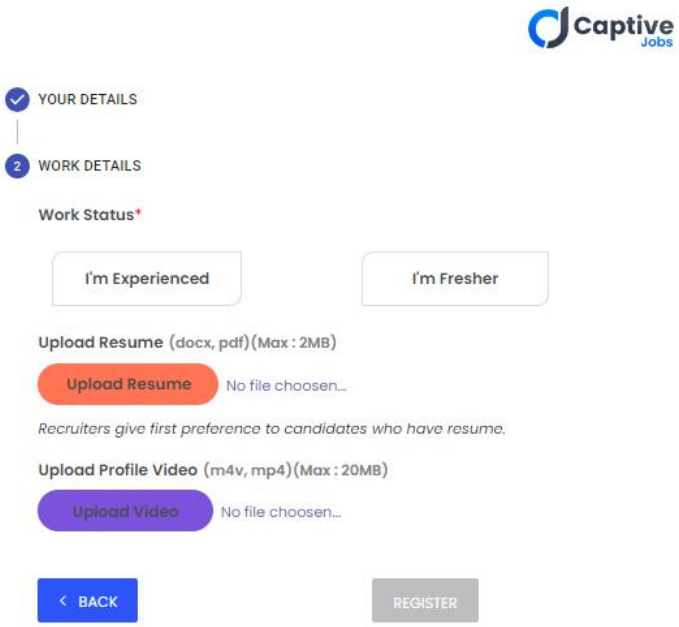

- You will land on the job seeker registration page.

- Provide your personal information, such as name, email address, and phone number.
- Create a strong password to protect your account.

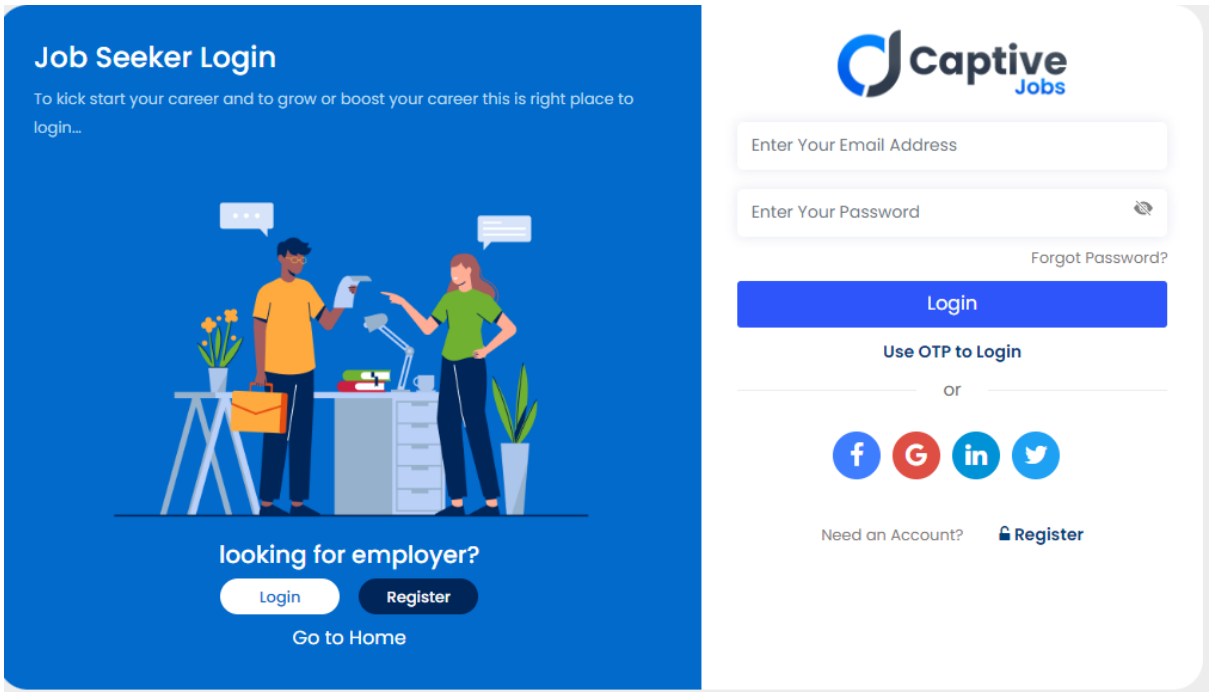

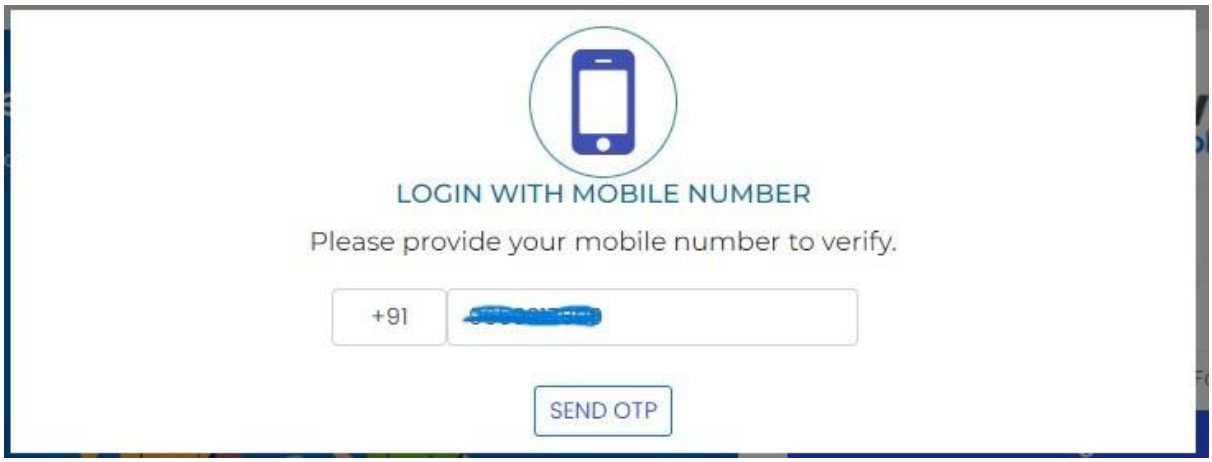

- Provide your professional details.
- Once everything is updated, click on Register.
- Verify your email address to activate your account.
- You can also register to the portal through social media accounts such as, Facebook, google, LinkedIn and Twitter.

## 3. Login

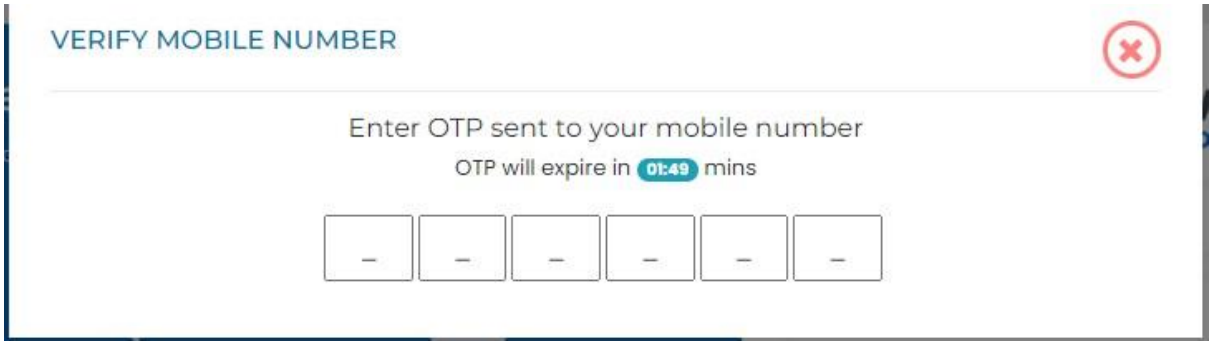

Once Registered, login to your account by providing your email and password.

- You can also login through OTP. Click on “Use OTP to Login”. Enter your registered mobile number and click on “Send OTP”.

- Once Clicked you will receive an OTP on the given mobile number. Please enter that here on the screen and click on “Verify OTP”.

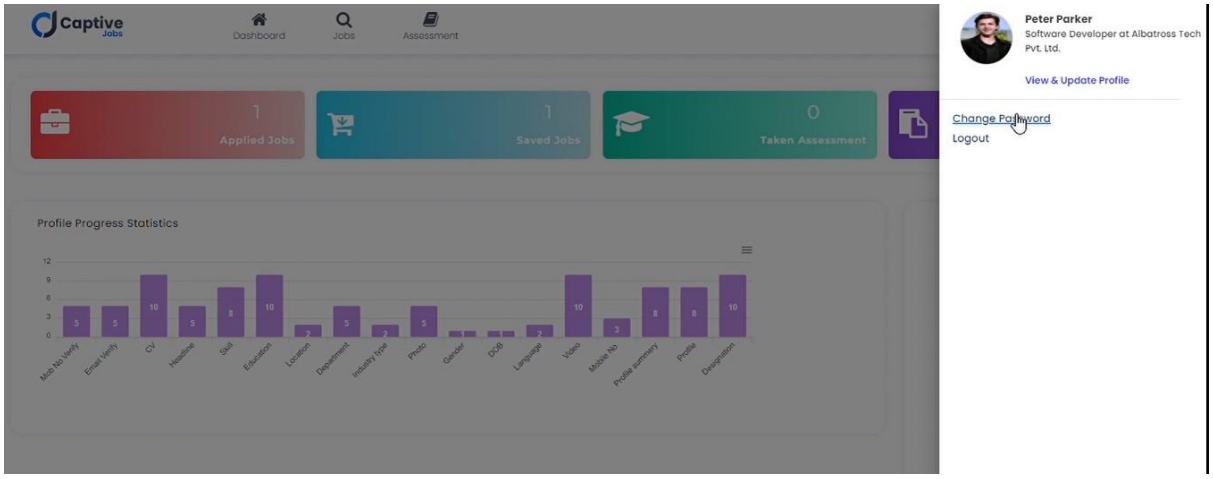

- After the OTP verification you will be logged in to the system.
- If the OTP is wrong system will ask you renter
- If you did not receive the OTP, please click on “Resend OTP”. You can resend 3 times on one go, if entered wrong after 3 attempts, you will have to wait 180 minutes to send it again.

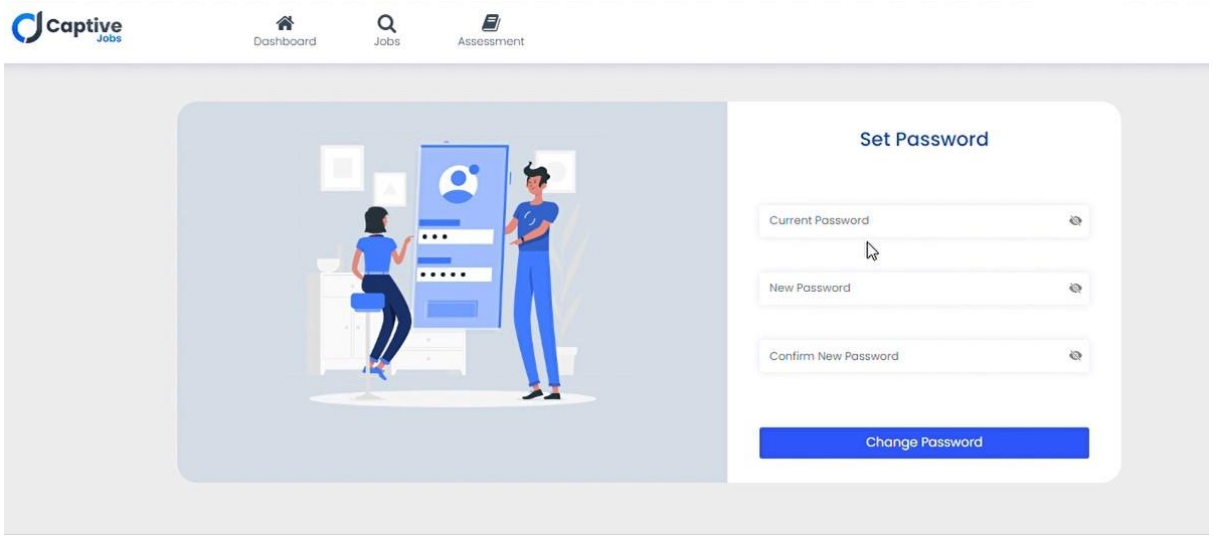

## 3.1 Change Password

The Captive Jobs provides a secure and user-friendly platform for job seekers to explore opportunities and connect with employers. To ensure the safety of your account, it is recommended to regularly update your password. Below is the process of changing your password on the Captive Jobs.

Navigate to the user profile icon and click on “Change Password”.

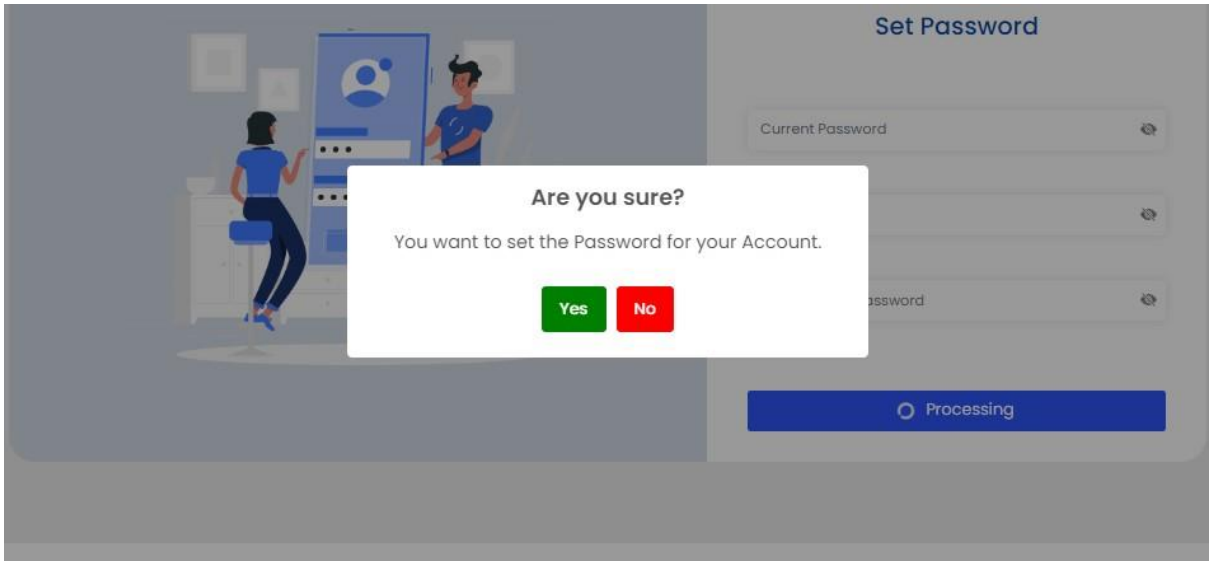

- A change password screen will open,
  - Here enters your current password.
  - Then enter new password.
  - Confirm the new password.

- Click on change password.

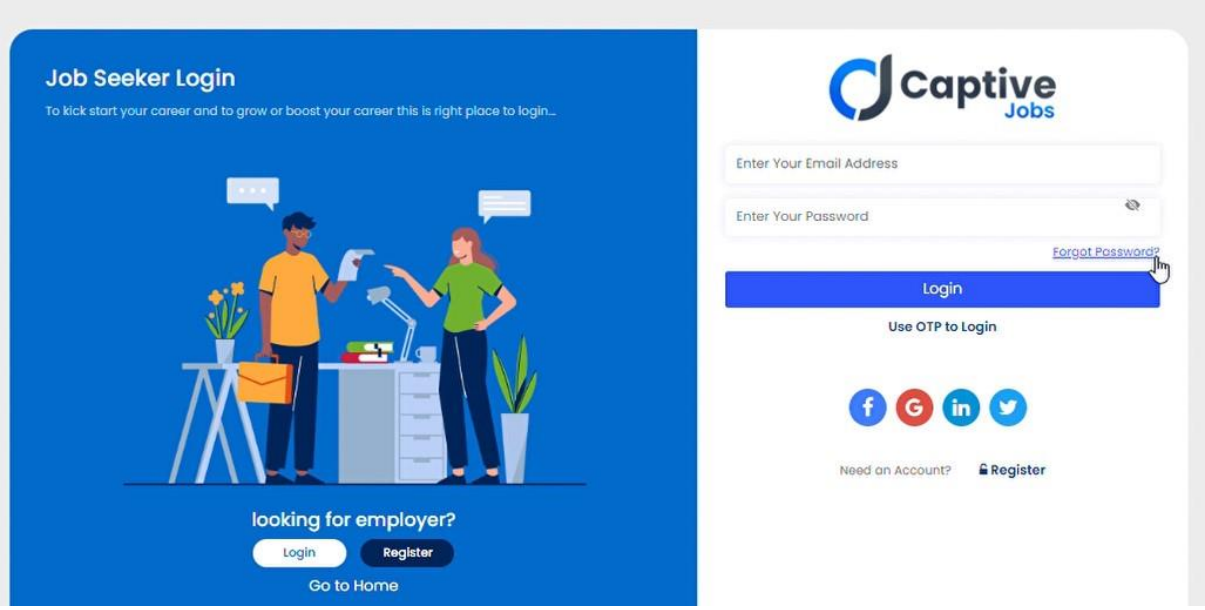

- Click “Yes” to confirm your change password request.
- Your password is changed.

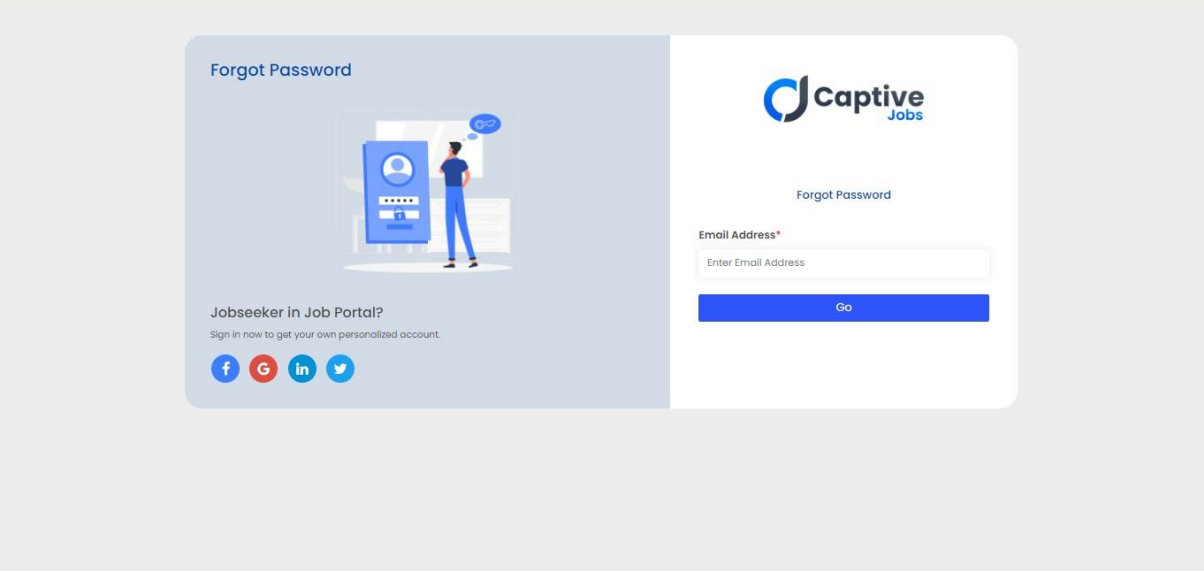

## 3.2 Forgot Password

The Captive Jobs provides a convenient platform to the job to reset their passwords in case they forget them. Follow the step-by-step instructions below to regain access to your job seeker account.

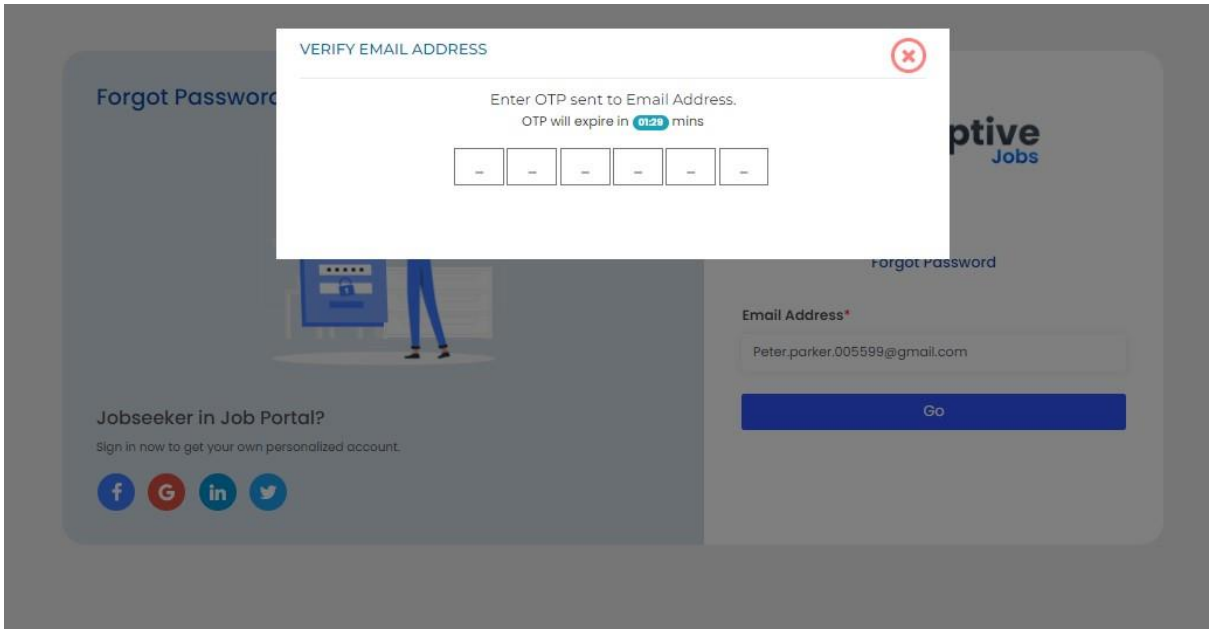

- To initiate the password recovery process, follow these steps:
  - Visit the job portal's login page.
  - Click on the "Forgot Password" link.

  - Enter your registered email address.

- You will receive an OTP in the email address.

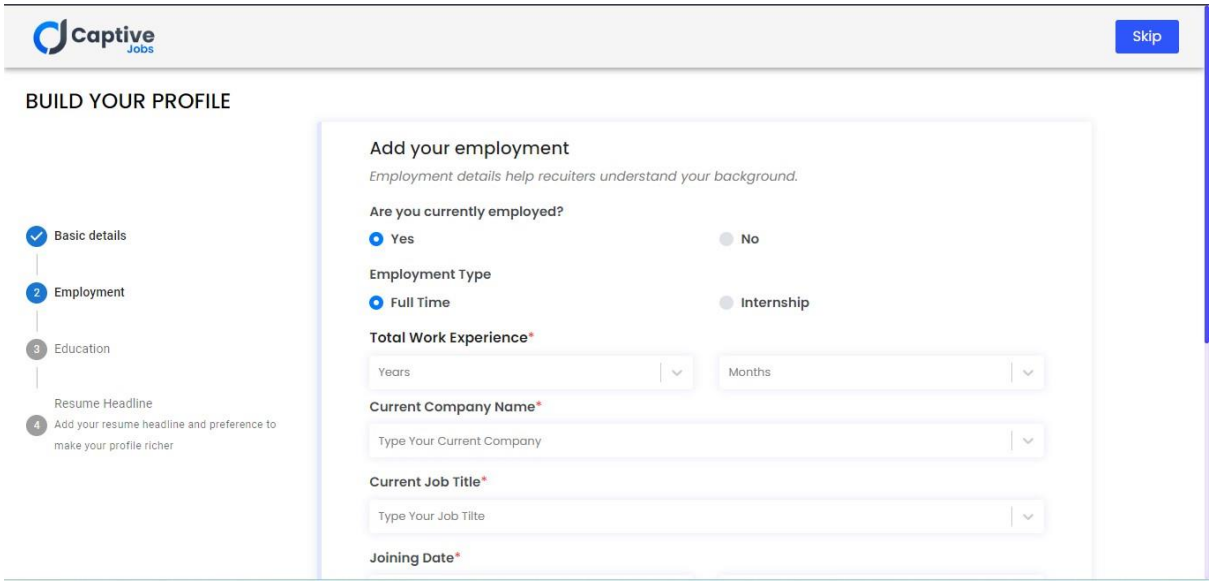

- If the OTP is entered incorrectly the system will ask you to reverify it.
- You can resend the OTP for 3 times.
- If entered incorrectly after third attempt, you'll have to wait for 180 minutes to send it again.
- Once entered correctly, your password will be changed, and you can log in to the system with your new password.

## 4. Profile Setup

After logging in to your account you will be navigated to the "Build your Profile section".

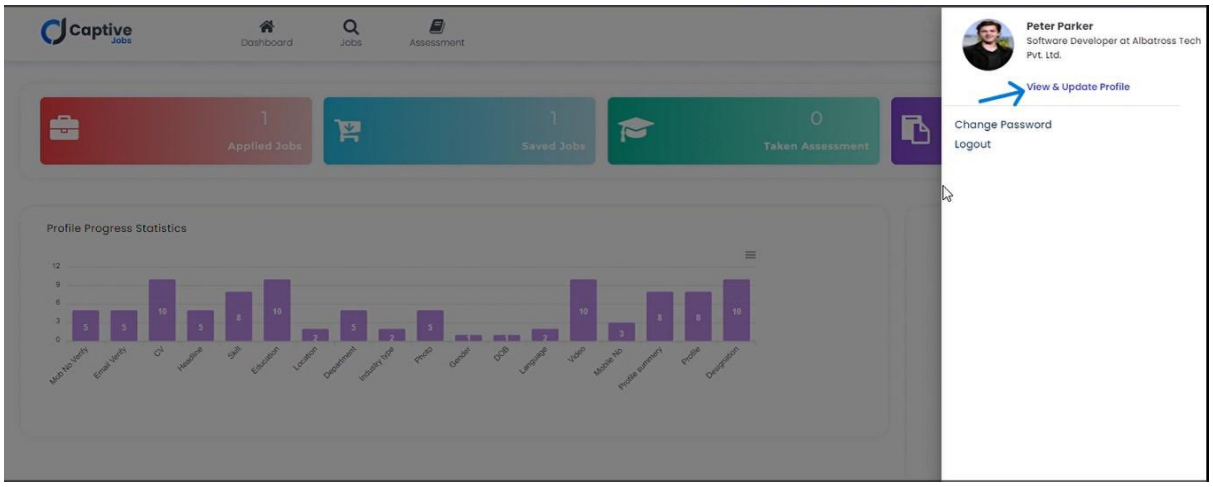

- Please enter all the details here mentioned in the image below for better reach to your profile. Either you can navigate by clicking on the Details title on the left-hand side navigation menu or you can simply scroll through.
- Fill in your personal details, including contact information, education, work experience, skills, and any additional relevant information.
- Craft a compelling summary that highlights your key qualifications and career objectives.
- Update your preferences, such as job types, locations, and salary expectations.
- Once you fill out your details, click on "Save".

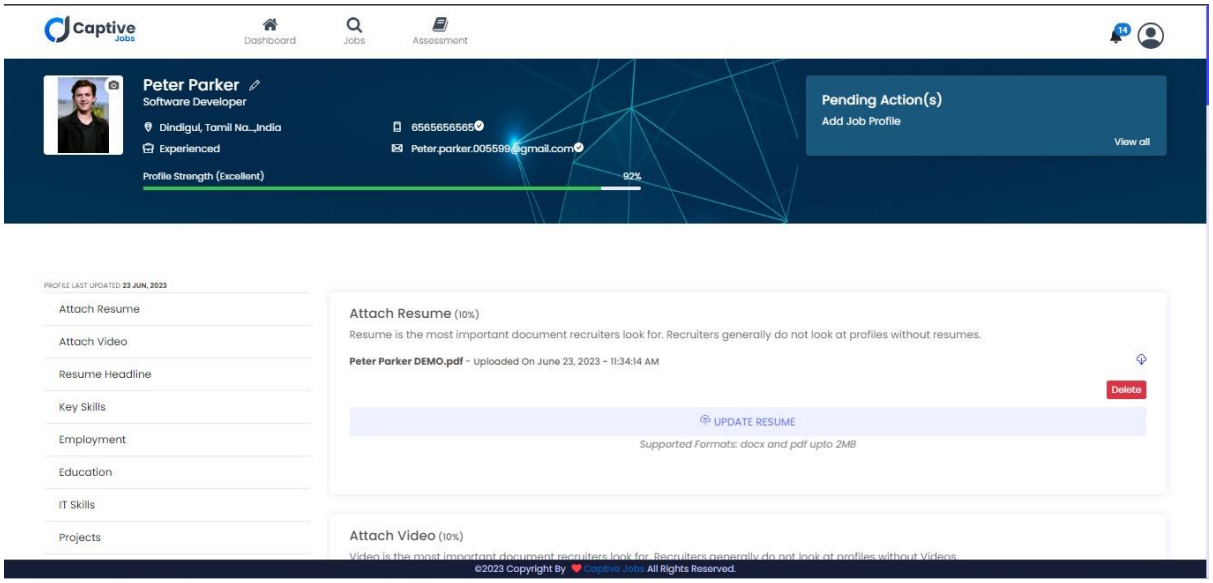

- You can view and update your profile by clicking on the profile icon.

- Click on “View and Update Profile”.

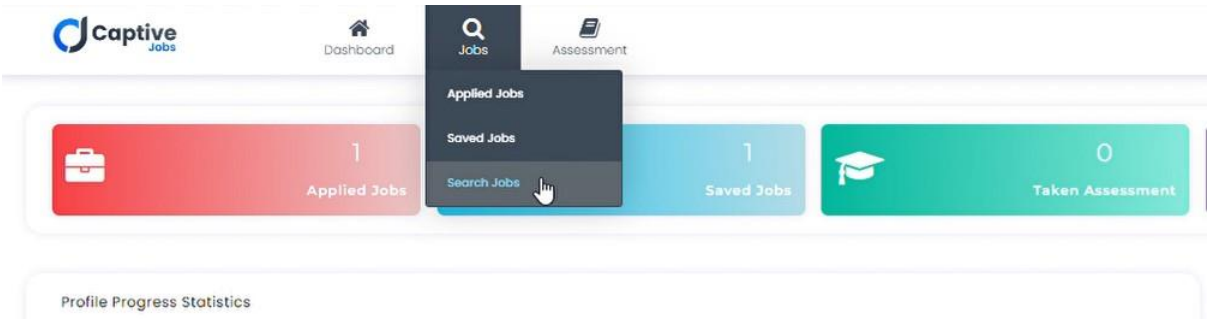

- Here you can view your profile and make the desired changes.
- Upload a professional profile picture.

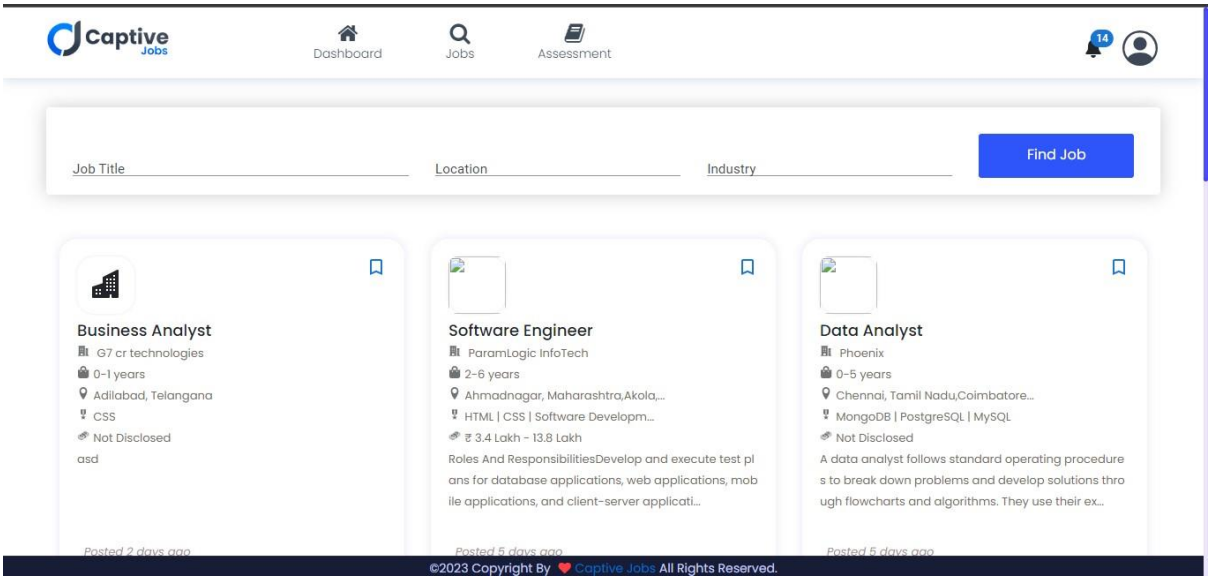

## 5. Job Search:

As a job seeker you can utilize the portal to search and apply for your desired jobs.

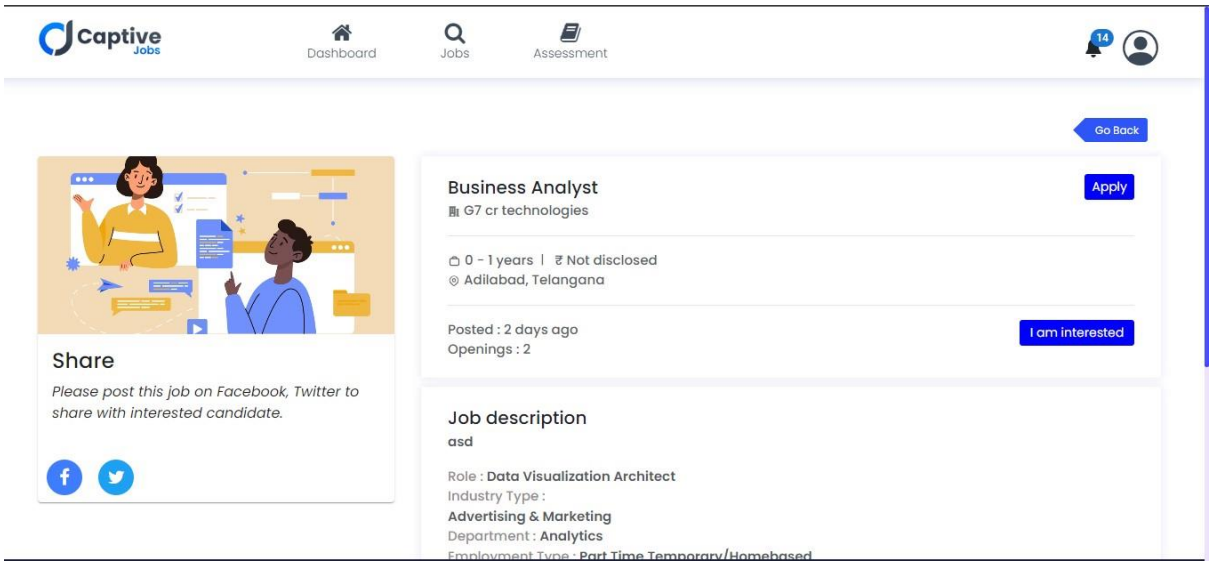

- Explore the Job search functionality.
- Click on Jobs
- Click on the “search Jobs” option.

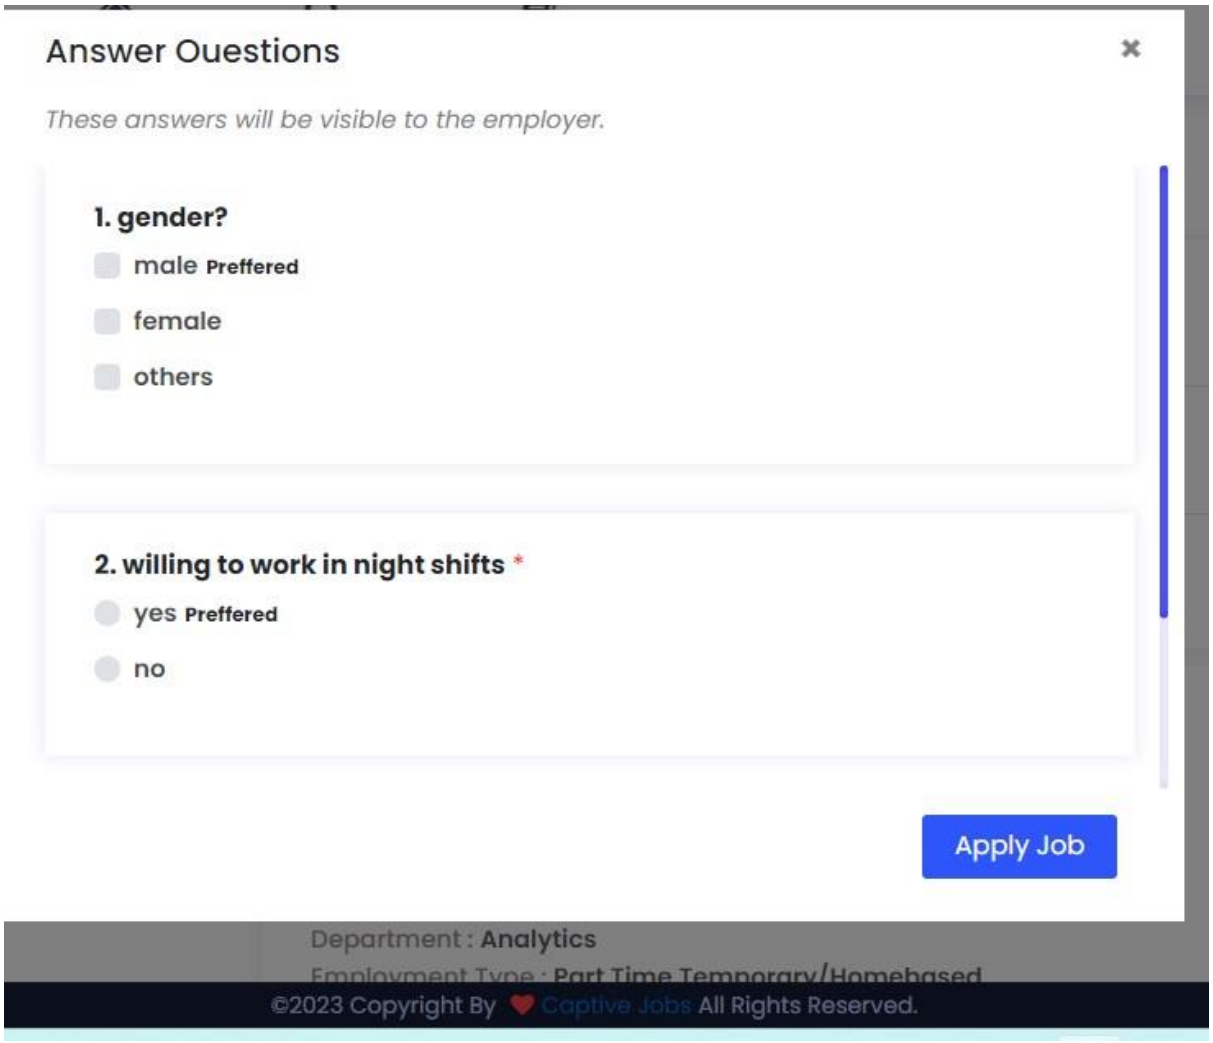

- Here you should see all the job suggestions matching to your profile.
- You can also search your desired job through entering the Job Title, Location, and Industry.

- You can view the full job description on click of each job title.
- Review job listings and read the job descriptions carefully.

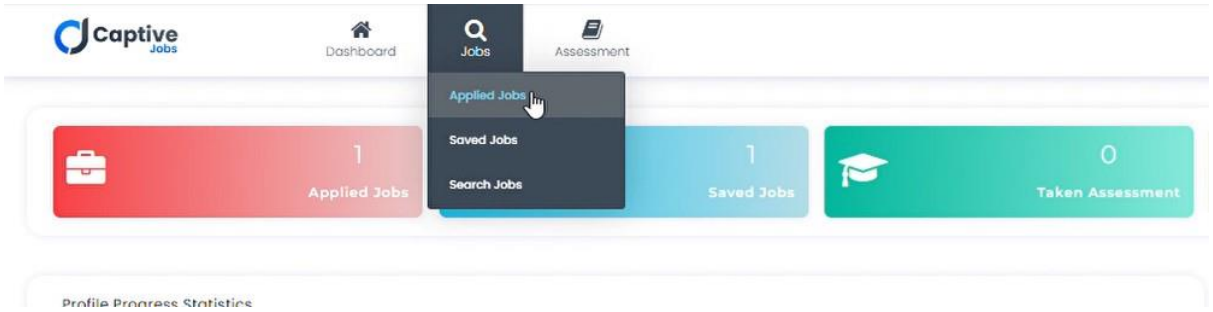

- On click of I am Interested your job will be saved successfully, you can view it from the saved jobs section and apply later if wish to.
- You can choose to share the jobs on your social media platforms.
- On click of apply a pop up will appear, enter the required details, and click “Apply Job”.

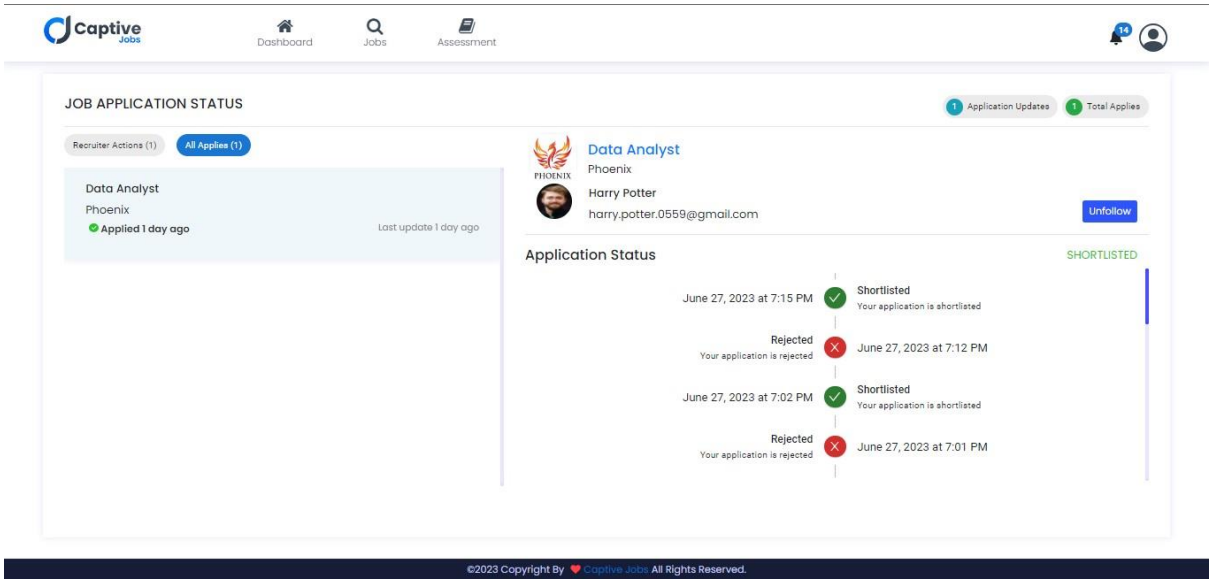

- Track the status of your applications within your account.

## 6. View Applied Jobs

You can view the status of your applied jobs by clicking on the “Applied Jobs” section under the Jobs dropdown from the navigation menu.

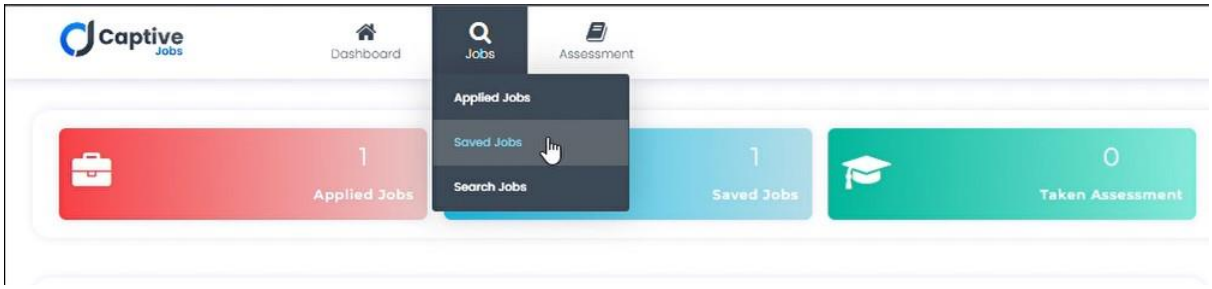

- Here you can see all the applied jobs and all the recruiters actions on it.
- Applicantion Status:
    - Applied
    - Viewed
    - Shortlisted
    - Rejected
- You can also follow the employer to receive notification about new job postings in the future.

## 7. Saved Jobs

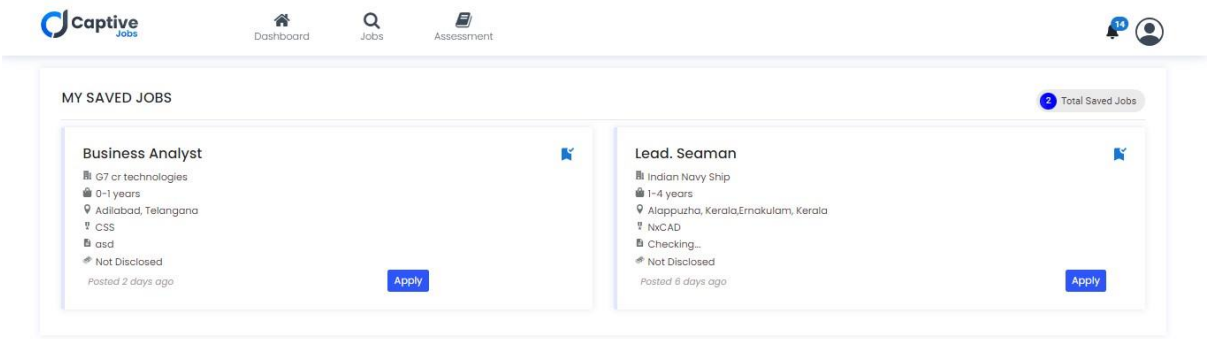

You can view your previously saved jobs to review and if suited you can apply from this page.

- To view the saved jobs, click on the “Saved Jobs” option under the “Jobs” dropdown from the navigation bar.

- On click of I am Interested your job will be saved successfully, you can view it from the saved jobs section and apply later if wish to.
- You can choose to share the jobs on your social media platforms.

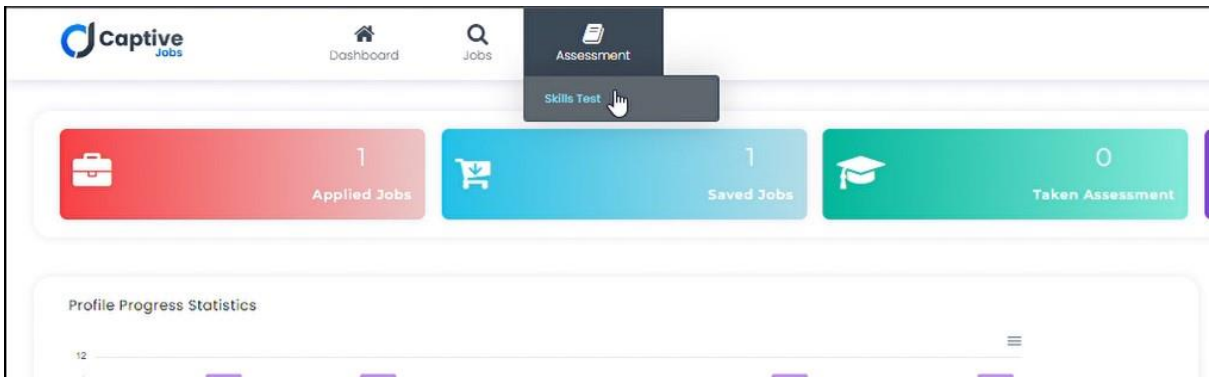

- On click of apply a pop up will appear, enter the required details, and click “Apply Job”.

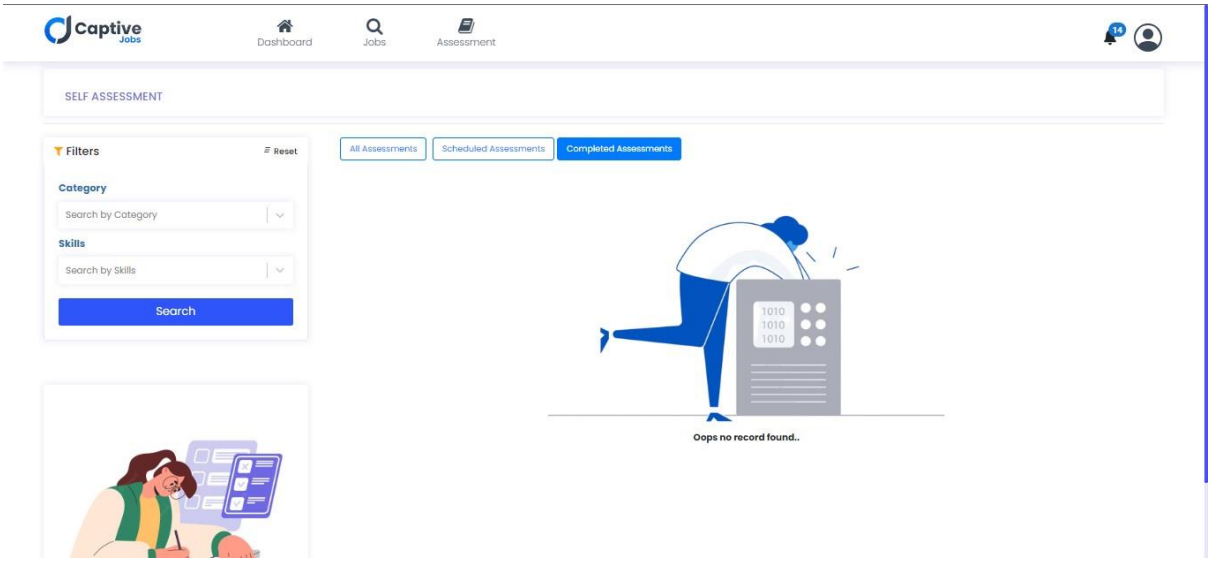

## 8. Assessment

As a job seeker you will be able to take the self-assessment test in the portal to review and enhance profile. The self-passement test will help you to get more visibility for your profile on employer’s search and help you get better result on your job search.

- To take the self-assessment test click on “Skill Test” button under the “Assessment” Dropdown from the navigation bar.

- Here you can view all the assessment matching to your skill, you can review each assessment and click on “Take Test” to proceed further.
- Once clicked you can complete the payment process and take the test.
- You can also schedule the assessment for later time.
- And can view all the scheduled test under the “Scheduled Assessment” tab.
- You can also view all your completed assessment to review your progress.
- You can apply filter to search for the assessments by category and skills.

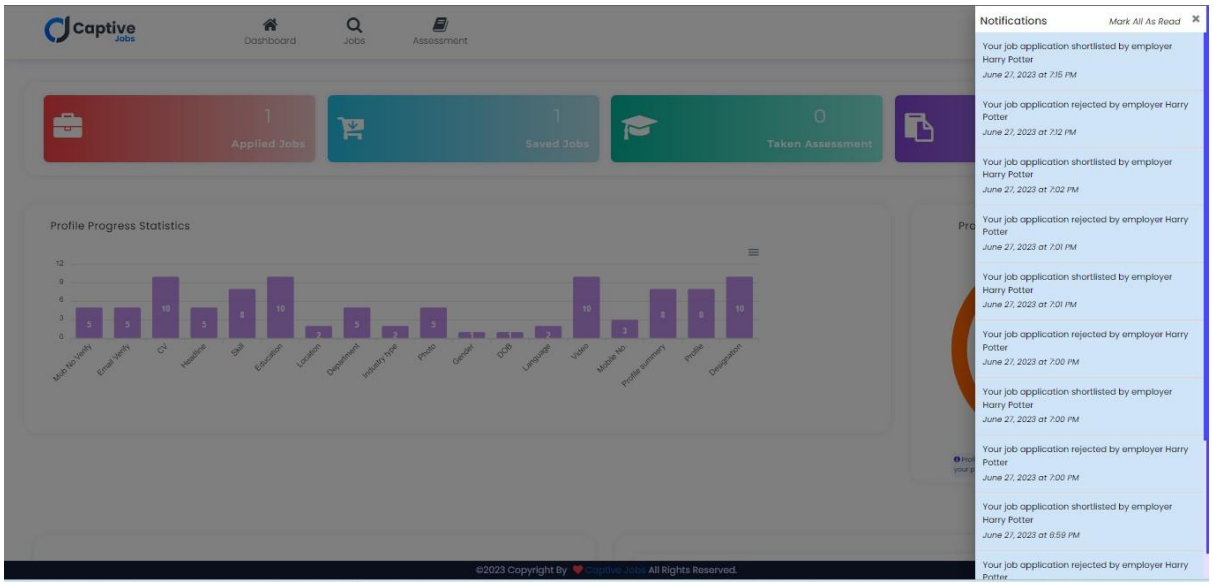

## 9. Notifications

In the notifications section the Job seeker will receive and view important notifications regarding various activities.

- The notifications are specifically related to the below categories:
  - Status update on applied jobs
  - New matching jobs relevant to your profile
  - If the employer, you are following posted a new job.
- This feature ensures that the Job seeker stays informed about key events and can promptly respond or take appropriate actions. Here's how the notifications section is designed:
- You will be able to mark notifications as read or unread, allowing them to keep track of which notifications they have already reviewed.

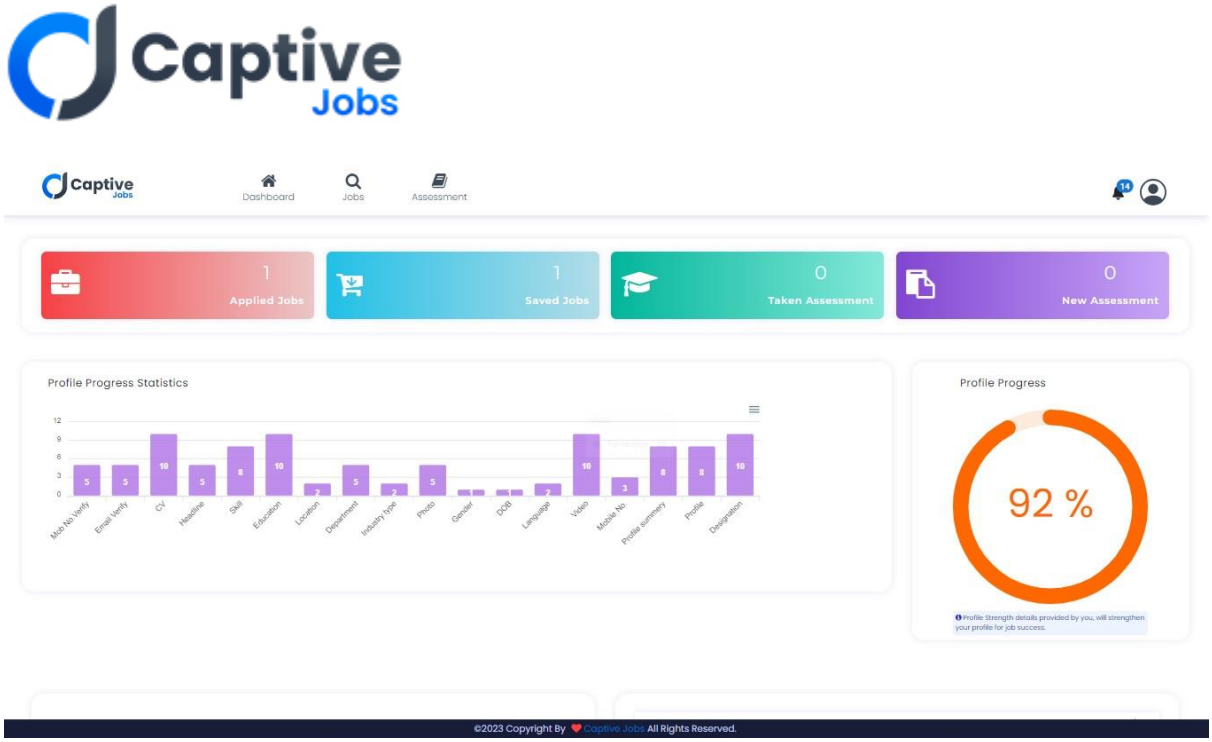

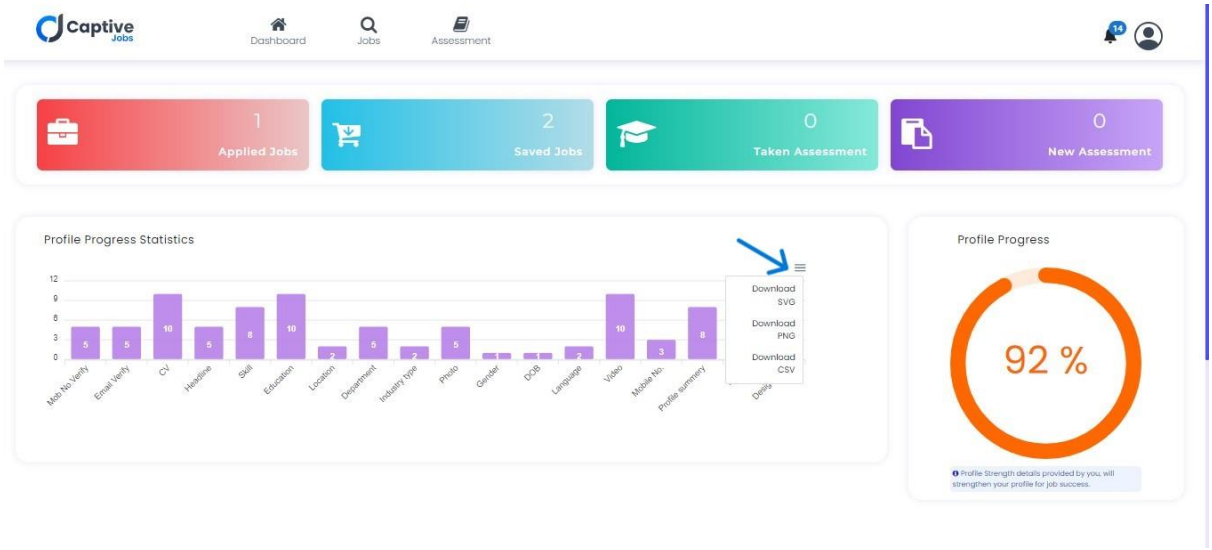

## 10. Dashboard and Reports

The dashboard for the Job Seeker in Captive Job Portal is designed to streamline your job search process and empower you with the tools and information you need to find your dream job.

- Here you can see various Tabs as:
  - Applied Jobs – View the total number of applied jobs and on click view all the jobs you have applied.
  - Saved Jobs – View the number of saved jobs and on click, view all the saved jobs.
  - Taken assessments – View the number of assessments you have taken and on click view all the assessment.
  - View the total number of assessments and on click review all the new assessments.
- You can also view your profile progress statistics on screen.

You can view your profile progress statistics from the dashboard and download the reports in svg, png and csv formats.

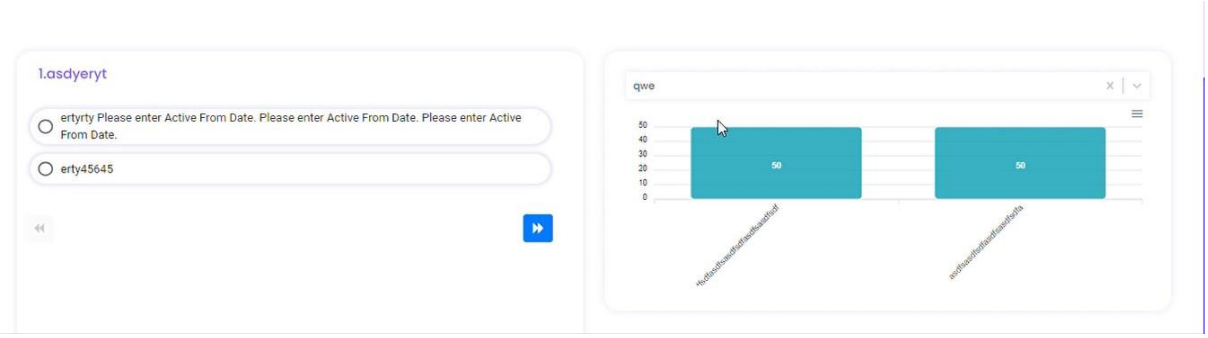

## 11. Polls

This feature allows job seekers like you to participate in polls related to various aspects of the job search process, providing valuable insights and feedback. By participating in these polls, you can share your opinions, preferences, and experiences, helping us improve the Captive Jobs and make it more tailored to your needs.

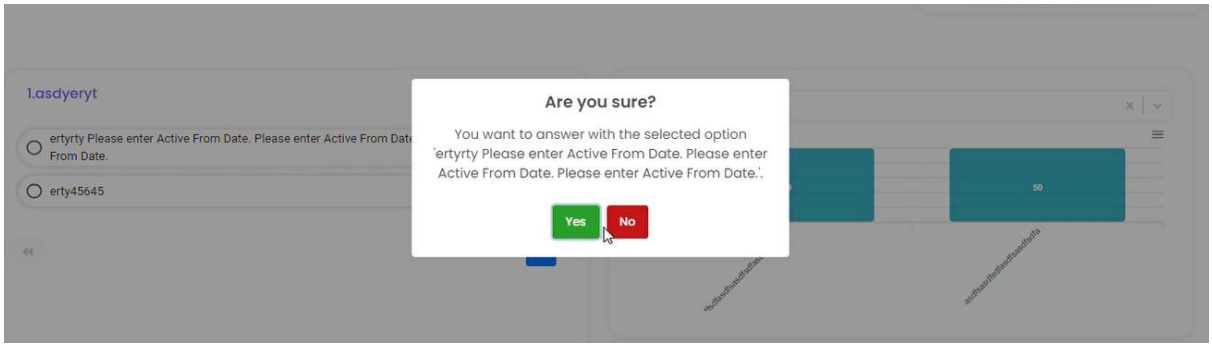

To access the Job Seeker Polls feature, follow these steps:

- Navigate to the "Polls" section, located in the main menu or dashboard.
- Here you will see all the available Polls.
- Select the poll you want to participate in by clicking on its title.

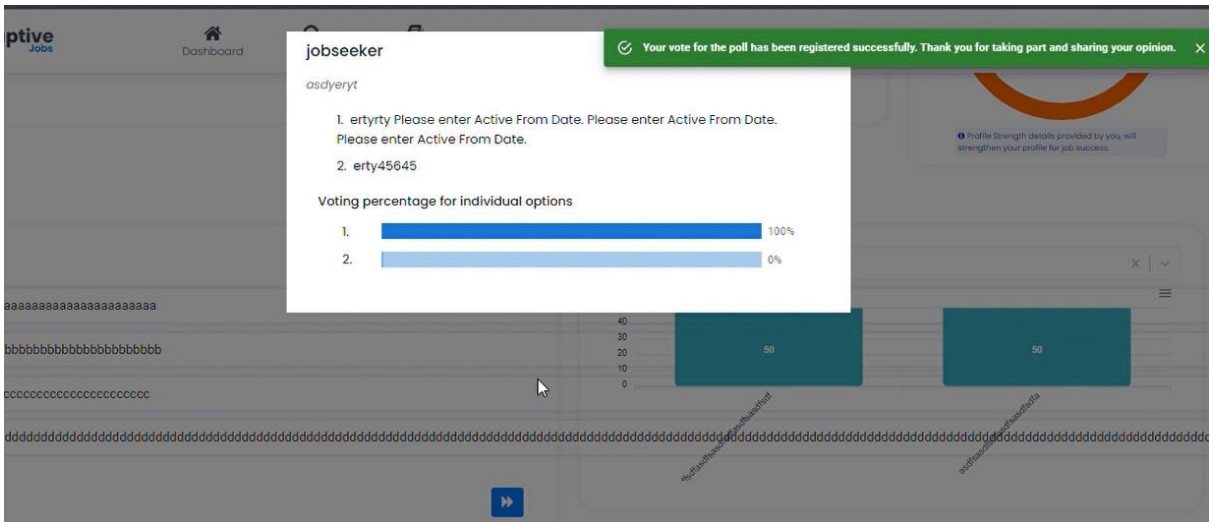

- Read the poll question and answer options carefully.
- Choose the answer that best represents your opinion or preference.

- Click on yes if you are sure about your answer.

- After submitting your response, you will view the answers percentage on the screen.
